4 CHAIRMAN WARFIELD: Good afternoon, ladies
5 and gentlemen, and welcome to the Board of Police
6 Commissioners Meeting. My name is Jerome Warfield,
7 Chairman of the Board of Police Commissioners. Serving
8 with me today is Commissioner Donnell White, and also
9 Chief Ralph Godbee, good to have you, sir.

10 CHIEF GODBEE: Good to be here, sir.

11 CHAIRMAN WARFIELD: I'm going to ask if our
12 Board Secretary Mr. George Anthony will introduce our
13 staff that's present.

14 MR. SECRETARY: Thank you, Mr. Chair. For
15 the record, George Anthony, Secretary to the Board. We
16 have present Ms. Pamela Davis Drake, I think I got it
17 right, who is our Chief Investigator. I apologize.
18 Ms. Celia Banks Washington, the Attorney to the Board.

19 We also have Sergeant Alan Quinn who is
20 recording our proceedings and Ms. Elizabeth Koller from
21 Hanson Court Reporting Service. Also we have Ms. Dalph
22 Watson who is our Director of Police Personnel.

23 And if I may I would like to ask our Chief
24 Investigator if she can introduce her staff who's here?

25 CHAIRMAN WARFIELD: Please state your name

1 for the record, please?

2 MS. DAVIS DRAKE: Sure, Pamela Davis Drake,
3 Chief Investigator. And with us we have Sergeant
4 Miles, we have Sergeant Murphy, we have Daniel
5 Thompson, Investigator, Investigator Marquitta
6 Nacomico, and we have Investigator Kenneth Parskaven,
7 Investigator Sloan is also with us.

8 CHAIRMAN WARFIELD: Thank you, ma'am. Is
9 that everyone?

10 SECRETARY ANTHONY: That is.

11 CHAIRMAN WARFIELD: Is Reverend Penson here?
12 Would you come, sir, thank you. Good to see you.
13 Could you come and meet us in our invocation for
14 today's meeting, please?

15 REVEREND PENSON: May we all bow our heads in
16 a word of prayer. Dear Gracious, Kind, Wonderful,
17 Heavenly Father, we bless you, we thank you, we magnify
18 your name. Now we ask your blessings upon this Police
19 Commissioner Meeting.

20 We ask your blessing on the Commissioners as
21 well as Police personnel. We ask God that this meeting
22 be utilized to enhance our Department and make our City
23 a much better brighter place. We bless your holy name.
24 In Jesus name, Amen.

25 AUDIENCE: Amen.

1 CHAIRMAN WARFIELD: We are expecting quorum
2 in today's meeting so when another Commissioner comes
3 we will then move to our voting items and move through
4 the agenda of the items that we need to vote on.

5 I want to say thank you to all of our new
6 Commissioners who are here -- I'm sorry, Investigators,
7 thank you, sir, our new Investigators who are here.
8 Good to have you here in the room where the people are.

9 Good to see again our Chief Investigator and
10 she will give a report in a minute as relates to the
11 progress that's being made at that particular office of
12 ours.

13 Is there a Secretary's Report?

14 SECRETARY ANTHONY: Yes, sir, there is a
15 Secretary's Report. Secretary's Report dated
16 August 30th, 2012 and this is for citizen complaints
17 received July 2012. The monthly count of complaints
18 for 2012 in July was 117 compared to July of 2011 which
19 was 132. This represents an 11 percent decrease.

20 The year to day numbers are in 2012, 791
21 compared to 2011, 894, which represents a 12 percent
22 decrease. At the end of July 2012 the Office of the
23 Chief Investigator had open investigations 265, cases
24 filed 791, cases closed 1,226.

25 Of the 117 cases filed 33 percent involved

1 unknown officers, the alleged known units involve
2 leading in complaints filed in July 2012 were
3 Communications at 14 percent, Northeastern District at
4 12 percent, and the Sixth Precinct at 10 percent.

5 The 117 cases filed in July of 2011 involved
6 193 allegations where the leading areas of concern were
7 demeanor 33 percent, procedure 24 percent, service
8 16 percent, and force at 10 percent.

9 And that concludes the reading of the
10 Secretary's Report, sir.

11 CHAIRMAN WARFIELD: Any questions regarding
12 the Secretary's Report?

13 COMMISSIONER WHITE: No.

14 CHAIRMAN WARFIELD: For point of clarity
15 under one heading it says cases filed 791 and under
16 that it says of 117 cases filed.

17 SECRETARY ANTHONY: In July.

18 CHAIRMAN WARFIELD: 791 is that year to date?

19 SECRETARY ANTHONY: 791 is year to day 2012.

20 CHAIRMAN WARFIELD: Great. Okay. Thank you,
21 sir, for that report.

22 SECRETARY ANTHONY: Thank you.

23 CHAIRMAN WARFIELD: For the record,
24 Commissioner Jessica Taylor, Vice Chair of the Board of
25 Police Commissioners as joined us. Good to have you,

1 ma'am.

2 At this time we'll go ahead and move and
3 approved our agenda and past minutes. At this time I
4 will entertain a motion to approve the agenda for today
5 August 30, 2012.

6 COMMISSIONER WHITE: So move.

7 COMMISSIONER TAYLOR: Second.

8 CHAIRMAN WARFIELD: Hearing and seeing no
9 objections, all those in favor?

10 COMMISSIONERS: Aye.

11 CHAIRMAN WARFIELD: All those opposed?
12 Motion carries. I also will entertain a motion for the
13 approval of the minutes dated Thursday, August 2nd,
14 2012.

15 COMMISSIONER TAYLOR: So moved.

16 COMMISSIONER WHITE: Support.

17 CHAIRMAN WARFIELD: Hearing and seeing no
18 objections, all those in favor?

19 COMMISSIONERS: Aye.

20 CHAIRMAN WARFIELD: All those opposed?
21 Motion carries. I will entertain a motion to approve
22 the minutes from Thursday, August 9th 2012.

23 COMMISSIONER TAYLOR: So move.

24 COMMISSIONER WHITE: Support.

25 CHAIRMAN WARFIELD: Hearing or seeing no

1 objections, all those in favor?

2 COMMISSIONERS: Aye.

3 CHAIRMAN WARFIELD: All those opposed?

4 Motion carries. Now for the minutes of August 16th,
5 and August 23rd there was no quorum present and so
6 there were no official meeting minutes but I think the
7 transactions of those meetings should still go down as
8 relates to our archives. So understanding that we'll
9 entertain a motion for the approval of the minutes
10 coming from the meeting of August 16th and the meeting
11 of August 23rd, 2012.

12 COMMISSIONER WHITE: So moved.

13 COMMISSIONER TAYLOR: Support.

14 CHAIRMAN WARFIELD: It's been properly moved
15 and supported. Hearing and seeing no objections, all
16 those in favor?

17 COMMISSIONERS: Aye.

18 CHAIRMAN WARFIELD: All those opposed?

19 Motion carries. At this time I'm going to ask if our
20 Chief Investigator will come to the podium for our
21 monthly OCI report at this time, Chief Investigator
22 Pamela Davis Drake.

23 MS. DAVIS DRAKE: For the record, Pamela
24 Davis Drake, Chief Investigator. I am going to recap
25 what Mr. Anthony has already provided to us

1 statistically with the exception of for the purpose of
2 comparison the total number of cases again identified
3 January 1st through 2012 through July 31st 2012,
4 791 cases. The total cases closed during that same
5 period 1,226 cases. And, therefore, the closed to open
6 ratio is 55 percent which in essence means that we're
7 closing cases faster than we're receiving them, and
8 that has been the case for the past year.

9 We received an average between January 1st
10 and July 31st, 110 cases per month with an average of
11 six new cases monthly per Investigator. Those averages
12 have also been pretty consistent since January. For
13 the month of August our statistics are as follows: We
14 have a total of 223 open cases, 16 cases were submitted
15 closing which means we have zero cases over 90 days.

16 I believe that merits -- there we go.

17 (Applause.)

18 MS. DAVIS DRAKE: That's what I was looking
19 for. Thank you. As you know these numbers reflect the
20 hard work of the OCI staff and specifically under the
21 leadership of Ms. Washington and Lieutenant Leach for
22 all their hard work in reducing the back load and
23 eliminating that backlog has paid off.

24 We also have focused on teamwork. The
25 supervisors and the investigators have worked very

1 diligently about working with each other, helping each
2 other, and assisting to make sure that that backlog
3 stays consistent.

4 Now, the one thing that we also are doing,
5 we're doing, well, several things, but Ms. Washington
6 and I are continuing to hold those Thursday weekly
7 accountability meetings with the teams. It's a tool
8 that she put in place actually last year and it is
9 working. We don't want to, of course, if it's not
10 broke we don't want to fix it. We're emphasizing again
11 sustainability and maintaining that zero figure.

12 We're continuing the procedures that were put
13 in place through the prior leadership, and additionally
14 we're instituting some new things. The Thursday
15 Accountability Meeting, again, we're going to continue
16 that. But the weekly team meetings with just the
17 supervisors and teams were also instituted and to
18 update you that is a collective meeting with staff and
19 with the supervisors to emphasis the issues that need
20 to be addressed, matters of concern and interest,
21 policy and procedures, and so forth.

22 Also we've reduced the initial deadline from
23 the submission date of 90 days to 80 days and what we
24 realized is that if we are waiting until the 90th day
25 we do not have the time to review and if there are any

1 corrections to reports that have to be made we don't
2 have enough time to get that done. So by reducing it
3 to 80 days what we're actually doing is giving them
4 10 days leeway time so that we can still make that
5 90 day deadline.

6 The Weekly Supervisors Meetings we've
7 instituted with the Chief and that is to review
8 statistics, to disseminate and encourage supervisors
9 and to get information out as soon as possible. We've
10 also instituted some regular training opportunities for
11 staff, Lunch and Learn specifically, CMS, Data 911
12 Systems Training.

13 We've already held one round of training and
14 that was with Data Tech this past Tuesday the 28th, it
15 covered the CMS System, and we have upcoming trainings
16 that include building footage and also Data 911. The
17 reason for that is because we want to eventually become
18 self-sufficient.

19 We want to be able to upload our own
20 information, upload our own video footage and to copy
21 that so it can save time and that will assist us
22 greatly. In October we're going to be conducting a
23 case management training and this is a followup
24 training actually of the training that was conducted
25 last year, very comprehensive training conducted by

1 Mr. Anthony.

2 In November, we're going to hold a strategic
3 planning session that's with Supervisors,
4 Ms. Washington, Lieutenant Leach and I and we're going
5 to sit down and talk about the strategy going forward,
6 come up with a strategic plan for 2013 and we're going
7 to keep ourselves focused and directed by having very
8 clear cut goals and objectives for us to work from.

9 Finally, in December we're going to hold a
10 training on motivational interviewing for law
11 enforcement, and that motivational interviewing is a
12 technique that is largely used in the therapeutic
13 world. It's for redirecting and keeping people focused
14 when we're conducting interviews. So that is the end
15 of my report. Thank you.

16 CHAIRMAN WARFIELD: Thank you.

17 MS. DAVIS DRAKE: Any questions?

18 COMMISSIONER TAYLOR: I don't have any
19 questions, but I would like to thank you for your hard
20 work.

21 MS. DAVIS DRAKE: You know, I cannot take
22 credit, but thank you so much. These guys have worked
23 their tails off literally and they have done a
24 fantastic job. The staff has been wonderful and the
25 leadership has been wonderful.

1 COMMISSIONER WHITE: Thank you, Commissioner,
2 and I, too, echo the sentiments of my colleagues to all
3 of the Investigators that are here. Thank you for your
4 continued hard work in arriving at the place of zero.

5 Zero is only as good as we're able to stay
6 there and maintain that. So I hope that the same
7 energy remains as we move forward and stay in
8 compliance with that Consent Decree Mandate.

9 The question I had speaks directly to a
10 number of concerns in terms of the amount of time we
11 were allowing Investigators the opportunity to write
12 their cases and we talked about some potential
13 exploring of software or different other opportunities.

14 Have you looked any further into that or is
15 there anything that we're currently implementing that
16 provides that kind of space for our Investigators to
17 keep up with their writing?

18 MS. DAVIS DRAKE: At this time we had not
19 looked any further into that, but what we're doing is
20 we're putting some other things into place that will
21 help and assist the Investigators at the front end, and
22 that's timeframes and using more efficient use of their
23 teams, getting things in, getting the interviews with
24 witnesses and so forth earlier.

25 The idea is to initially as soon as you get

1 that case start working that case. And in that
2 instance it's a lot easier on the back end because you
3 already have the information that you need up front.

4 Does that answer your question, Commissioner?

5 COMMISSIONER WHITE: It does.

6 CHAIRMAN WARFIELD: Certainly also, Chief
7 Investigator, we want to certainly take our hats off to
8 the Chief. I think what you see here today and what
9 the public sees here today is a dynamic synergy between
10 the Board and between the Chief's Office as relates to
11 our seriousness to come out of the Consent Decree.

12 And so for those citizens who are sitting
13 here and you other folk questioning are we serious
14 about what have we done about it? I think you're
15 seeing very tangibly how serious we are to come up from
16 under the Consent Decree in order that these new
17 policies and procedures are now mainstreamed throughout
18 our Department.

19 This could not be done at OCI without the
20 Chief's support without him putting Officers over there
21 to help us maintain and balance this load. So we
22 certainly thank the Department for just their
23 outstanding leadership, as well.

24 And I echo the words of my colleagues. We
25 certainly have to keep the pedal to the metal. We

1 certainly congratulate those who've done a good job and
2 we look forward to moving this process forward. And
3 thank you for all of your help and support.

4 Now, before you sit down, Attorney
5 Washington, you correct me, I know there were some
6 policy directives coming from the Office of the Chief
7 Investigator that you wanted the Board to consider.

8 Do you want to give those to us now or later?
9 How do you want to do that?

10 ATTORNEY WASHINGTON: Just very quickly,
11 Celia Washington. We have emailed just a preliminary.
12 I'm working through Secretary Anthony on the formal
13 presentation for the Board for your consideration and
14 adoption.

15 CHAIRMAN WARFIELD: I know I received the
16 email. I don't know if my colleagues have. Did you
17 send it to the colleagues, as well?

18 ATTORNEY WASHINGTON: Yes.

19 CHAIRMAN WARFIELD: I'm asking that we have a
20 30 day review period and then we'll come back together
21 with any questions if it's okay with my colleagues with
22 any questions or comments or concerns about those
23 directives and then we can initiate that, and that will
24 be our new policy moving forward.

25 Understanding, having said that, though, I do

1 want to understand that these policies are already
2 being tested out right now in an effort that we
3 maintain the level of commitment that we promised to
4 the citizens.

5 ATTORNEY WASHINGTON: I appreciate you saying
6 that. To the new Chief's compliment, she came in the
7 door and had some questions about some very serious
8 issues with regard to performance and maintaining.
9 Again, we've said it already, sustainability is key
10 here. So, yes, we have on a preliminary basis used
11 some of the forms that you will see, some of the policy
12 that she's developed and then with your approval we'll
13 go move with the presentation.

14 CHAIRMAN WARFIELD: Thank you. Anymore
15 questions from my colleagues? Chief, any questions?

16 CHIEF GODBEE: No, sir.

17 CHAIRMAN WARFIELD: We appreciate that. At
18 this time we'll move onto the Chief of Police
19 Department for his report?

20 CHIEF GODBEE: Thank you, Mr. Chair. We
21 don't have a formal report today. But when we do have
22 an opportunity I just want to applaud just the
23 commitment of the Officers to the Department through
24 extremely difficult times, legal challenges.

25 Prevailing or not, the Officers have come to

1 work, and I think it's very laudable for them to rise
2 above their personal circumstances to still contribute
3 significantly towards us making gains in reducing crime
4 in the City.

5 With that being said, I think there was a
6 court hearing today where the City did prevail relative
7 to the temporary restraining order. And the City's
8 employment terms will be in place. But I do want to
9 say parenthetically nobody wins in this scenario.

10 It's unfortunate that we are at a point where
11 the terms had to be imposed. But consistent with the
12 Consent Agreement that we entered into voluntarily, we
13 have to follow the edicts mandated of that.

14 So from our Officers sake I would like to say
15 for the record it's regrettable that we're in this
16 situation. But since we are our aim as a leadership
17 team in consultation with the Board is to make sure
18 that we provide police service. How we got to that
19 point we don't necessarily control, but since we're at
20 this point we still have a service to provide.

21 CHAIRMAN WARFIELD: Thank you, sir. Any
22 questions for the Chief? Thank you, sir. I want to
23 move back briefly to OCI. There's some potential
24 classification changes. Do we want to do those now or
25 later? We'll do that next week. Okay. Thank you.

1 We have several grants and resolutions that
2 we want to vote on. At this time I'm going to ask if
3 Commissioner White will read the Grant Request
4 Permission to Accept a Monetary Donation from
5 Fifth/Third Bank?

6 COMMISSIONER WHITE: Commissioners, before us
7 is request for permission to accept a monetary donation
8 from Fifth/Third Bank. On August 13, 2012, the
9 Fifth/Third Bank addressed a letter to the Detroit
10 Police Department indicating that that would like to
11 donate funds to the Department to support the DPD
12 Family and Community Day or programs and services that
13 serve a majority of family and persons that are low to
14 moderate income. Check Number 00042563 in the amount
15 of \$100.00 dated August 7, 2012, accompanied the
16 letter.

17 There's no cost to the Department for this
18 donation. If these donated funds are accepted
19 Inspector Donald Johnson of Homeland Security will
20 serve as the Project Director. I move for adoption.

21 COMMISSIONER TAYLOR: Support.

22 CHAIRMAN WARFIELD: It's been properly read
23 and supported the \$100.00 donation coming from
24 Fifth/Third Bank be accepted and received. Any
25 questions or discussions? Any questions or

1 discussions? Hearing or seeing none, all those in
2 favor?

3 COMMISSIONERS: Aye.

4 CHAIRMAN WARFIELD: All those opposed?
5 Motion carries. At this time I'm going to ask if Vice
6 Chairperson Jessica Taylor will read the second
7 request.

8 COMMISSIONER TAYLOR: Second request is a
9 request for permission to accept the Detroit
10 Community-Based Violence Prevention Grant from the
11 Office of Juvenile Prevention. The United States
12 Department of Justice, Office of Justice Programs,
13 Office of Juvenile Justice and Delinquency Prevention,
14 OJJD has awarded the Detroit Police Department a
15 Detroit Community-Based Violence Prevention Grant in
16 the amount \$1,500,000.00 with no cash match.

17 The project period will run from 10-01-2012
18 through 9-30-2015. The Federal Grant Award Number is
19 2012-PB-FX2-K002 and the City Appropriation
20 Number 13568. The mission of the program is to change
21 community norms regarding violence to provide
22 alternatives to violence when gangs and individuals in
23 the community are making risky behavior decisions and
24 to increase awareness of the perceived risk and cost of
25 involvement in violence among high risk young people.

1 If approval is granted to accept this funding
2 Inspector Eric Jones of the Office of the Assistant
3 Chief will serve as the Project Director. And I move
4 that we accept this grant.

5 COMMISSIONER WHITE: Support.

6 CHAIRMAN WARFIELD: It's been properly moved
7 and supported that we allow the Department to accept
8 approval of this grant. Any comments, questions?

9 COMMISSIONER WHITE: Through the Chair, to
10 the Chief, is this for education? Is this marketing?

11 CHIEF GODBEE: Through the Chair, sir. This
12 is for a project called Cease Fire. Cease Fire, the
13 methodology we chose to follow was a submission based
14 on the Boston model. The methodology identifies some
15 of the worse offenders. They're targeted for specific
16 interventions. Somewhat of a carrot and stick
17 approach. The carrot being appropriate services, job
18 training, things of that nature, any type of assistance
19 to keep individuals from being recidivist or violating
20 probation or parole.

21 The stick is a strong law enforcement
22 component in conjunction with prosecutors to make sure
23 there's swift action towards those targeted
24 individuals, and also some level of force applied
25 towards associates in drug and gang activity.

1 It's been proven very successful in Boston.
2 They've had sustained results relative to reduction of
3 youth violence as a result of this methodology. So we
4 got funding for three years based on our submission.

5 COMMISSIONER WHITE: This hinges on the gang
6 related --

7 CHIEF GODBEE: It's tied to the Mayor's Youth
8 Violence Prevention Initiative which birthed the
9 application, so we were successful in the submission.
10 But the majority of the grant goes toward
11 implementation. We did have seed funding that would
12 initially bring John J. College and Professor David
13 Kennedy in, but we would of had to find funds to
14 sustain it beyond the initial implementation. So the
15 grant will help us sustain it for three years.

16 COMMISSIONER WHITE: Okay. Thank you,
17 Mr. Chair.

18 CHAIRMAN WARFIELD: Thank you, Commissioner
19 White, thank you, Chief. Any other questions
20 concerning this particular grant? Hearing and seeing
21 none, all those in favor?

22 COMMISSIONERS: Aye.

23 CHAIRMAN WARFIELD: All those opposed?
24 Motion carries. At this time we have a resolution
25 honoring the commitment and the service of retired

1 Deputy Chief Janice Butler. I'm going to ask if
2 Commissioner Taylor will read that for us.

3 COMMISSIONER TAYLOR: The Resolution honoring
4 retirement of Deputy Janice Butler. Whereas, Janice
5 Butler was appointed to the Detroit Police Department
6 on April 6th, 1987. After graduating from the Detroit
7 Metropolitan Police Academy, Officer Butler was
8 assigned to the 1st Precinct and later to the Narcotics
9 section as well as Special Patrol Operations.

10 Additional assignments for Officer Butler
11 included the 11th Precinct, Detroit Police Athletic
12 League and the Mayor's Security Unit for the late Mayor
13 Coleman Alexander Young. And whereas, Officer Butler
14 was promoted to the rank of Sergeant on August 3rd,
15 1995 and was assigned to the Crime Prevention Section
16 and the Public Information Section.

17 During this time she also served as a staff
18 member to the Office of the Chief of Police. And
19 whereas, Sergeant Butler continually displayed her
20 commitment to excellence in the performance in her
21 administrative and supervisory assignments. She was
22 promoted to the rank of Lieutenant on December 22nd,
23 1999, whereupon she was assigned to the Office of Chief
24 of Police.

25 Her other assignments included the Planning

1 and Inspection Section and Public Information Section.
2 Clearly Lieutenant Butler was being groomed for more
3 responsibility and a greater leadership role in the
4 Department.

5 And whereas, Lieutenant Butler was appointed
6 to the rank of Inspector July 18th, 2002, and became
7 the Commanding Officer of Executive Development Success
8 Planning, the Civil Rights Integrity Bureau's Audit
9 Team, and later as Chief of Staff to the Chief of
10 Police.

11 In November 2004 Inspector Butler was
12 appointed the rank of Commander where she continued as
13 Chief of Staff to the Chief of Police which was briefly
14 interrupted by her assignment as Commanding Officer of
15 the Metropolitan Division.

16 As whereas, Commander Butler was appointed to
17 the rank of Deputy Chief on September 23rd, 2010, and
18 assumed command of the Civil Rights Integrity Bureau
19 and later the Management Service Bureau until her
20 retirement on July 14, 2012.

21 And whereas, Deputy Chief Butler has
22 dutifully served the citizens of Detroit for more than
23 25 years. She was the deserving recipient of the two
24 Chief's Unit Award, three Chief's Citation in Medal,
25 nine Perfect Attendance Awards, two Accident Free

1 COMMISSIONER TAYLOR: So move.

2 COMMISSIONER WHITE: Support.

3 CHAIRMAN WARFIELD: It's been properly moved
4 and supported. Again, we just wanted to say to Deputy
5 Chief Butler, in her absence, just outstanding job,
6 outstanding career. I had a chance to meet her and
7 work with her and she's just a wonderful woman to work
8 with. She's just a pleasure. Always the consummate
9 professional and always wanting to do the things to
10 make the Department look better.

11 And so we thank God. You know, we talk about
12 Officers when they do wrong, but I don't think we do
13 enough to lift them up when they do the right thing.
14 And more of them do the right thing, than the wrong
15 thing. And so we thank God that we can retire someone
16 who's had an outstanding career and not being at a
17 church or at a funeral.

18 I look forward to these moments when we can
19 retire people still in goods health and their good
20 strength. Having said that, anymore comments? All
21 those in favor of approving the resolution?

22 COMMISSIONERS: Aye.

23 CHAIRMAN WARFIELD: All those opposed?
24 Motion carries. Before we move to Old Business and all
25 that was under New Business I want to ask if Attorney

1 Washington could come. We had an appeal hearing, an
2 appeal of a citizens complaint regarding CCR
3 Number 48997, a complaint of Ms. Mason. I want to ask
4 if Attorney Washington can move us through this part.

5 ATTORNEY WASHINGTON: Thank you, Mr. Chair,
6 Celia Washington on behalf of the Board. As Ms. Mason
7 and Sergeant Miles make their way forward I'd just like
8 to give a little bit of a preface for the record as to
9 why we're doing this. This is the Appeals Citizens
10 Complaint CCR Number 48997, BPC Number 12-259,
11 Complainant Jaquila Mason.

12 Today's hearing is called pursuant to
13 Section 7-809 of the Detroit City Charter, Resolution
14 of Complaints. The Charter provides that if a
15 complaint is not resolved to the satisfaction of the
16 complainant, we understand that that happens more often
17 necessarily than not, but this hearing is
18 discretionary, if the Board so deems fit this type of
19 hearing is held.

20 It will be Mr. Chair's pleasure as to the
21 time parameters allowed for both sides. After the
22 hearing the complainant will present first, the
23 Sergeant who handled, the Investigator who handled the
24 investigation will make her presentation as to the
25 bases for her findings.

1 There won't be any further exchange, if it's
2 okay with the Chair. After the hearing or after
3 hearing both sides then the Board will take the matter
4 under advisement and the opinion will be rendered in
5 public within 30 days.

6 I also make mention because some may wonder
7 why isn't this a closed session? And it is not a
8 closed session because this type of thing doesn't fall
9 within the exception of the Open Meetings Act. Not
10 withstanding the fact that the Charter requires that
11 this type of hearing be held is certainly not one
12 appropriate for closed session.

13 CHAIRMAN WARFIELD: Just so that we're clear,
14 Attorney Washington, so we'll hear from the Sergeant
15 first or the citizen first?

16 ATTORNEY WASHINGTON: The complainant, the
17 citizen first.

18 CHAIRMAN WARFIELD: And then we'll hear from
19 the Sergeant?

20 ATTORNEY WASHINGTON: Yes, sir.

21 CHAIRMAN WARFIELD: And there will be no back
22 and forth. I'm going to set a time limit if it's okay
23 with my colleagues for five minute apiece, five minutes
24 from each side, and then we'll move on. I'm going to
25 ask, I don't see Mr. Brown here, but I'm going to ask

1 if Secretary Anthony will keep the time and once he has
2 indicated that you're approaching your five minutes you
3 can end your comments, that would be very helpful.

4 ATTORNEY WASHINGTON: Thank you, Mr. Chair.
5 And I also for the record would like to indicate that
6 copies of Ms. Mason entire file has been presented to
7 each Commissioner in advance of today.

8 CHAIRMAN WARFIELD: Thank you.

9 ATTORNEY WASHINGTON: Thank you.

10 CHAIRMAN WARFIELD: Ms. Mason, welcome to the
11 Board of Police Commissioners Meeting. For the record,
12 could you please state your name?

13 MS. MASON: Jaquela Mason.

14 CHAIRMAN WARFIELD: And could you spell it
15 for the record, please?

16 MS. MASON: J-A-Q-U-E-L-A, Mason, M-A-S-O-N.

17 CHAIRMAN WARFIELD: Thank you, ma'am. You
18 have five minutes.

19 MS. MASON: Hello to everyone. I'm here.
20 I've been a citizen of Detroit for 32 years. Out of my
21 32 years I had to depend on the law for certain things
22 in my life where I've had to call the police but never
23 have I felt violated by a Officer where I'm in my house
24 half dressed bringing my groceries in.

25 I never hear a knock. I never hear an

1 announcement that this is the police. And you can walk
2 in, search my house, tear up my back door, and lay me
3 on the floor at the time I was pregnant and you cannot
4 give me a reason of why you came into my house besides
5 you seen a white person, excuse me, cutting through my
6 yard.

7 I've not stayed at my home since April 9th.
8 I do not feel safe in my home. My children do not want
9 to go home. I'm kind of tired of living on my
10 grandmother now because that's where I've been staying
11 since then. And I just felt like this needed to be
12 addressed.

13 I know when the law -- because I'm actually
14 in school my second year for law. But when you're
15 becoming an Officer you have to also uphold the law and
16 do the things the appropriate way. You can't just
17 barge into someone's home. The Officer was not chasing
18 no one. You were not chasing a fleeing felon.

19 I have never had in the two years that I've
20 been at this home, I've never had an altercation with
21 these Police Officers. Don't know them. He never
22 announced he was the Police. You weren't in uniform
23 clothing. And it kind of startled me.

24 It bothered me and it's been bothering me
25 since April where I'm actually going to just pack up

1 move out of the Detroit area no sooner than January
2 because I can't do it anymore. I called several civil
3 rights. I've called the governor's office.

4 I've also left a message for Chief Godbee's
5 Office. I've talked to the Mayor's Office and I talked
6 to Sergeant Miles. I've talked to the Board of
7 Commission, Ms. Washington. And to me it seems like
8 this needs to be addressed so it won't happen to no one
9 else.

10 Because I know as my Fourth Amendment Right
11 they shouldn't have been violated, that's the way I
12 feel. I feel like I was violated where I'm losing my
13 trust, but I'm trying not to lose my faith and my trust
14 in the Detroit Police Department because of one or two
15 Officers' mistakes.

16 Because like you said before all Officers, no
17 one's perfect but at same time you can't keep doing
18 this. And this incident did occur again to a
19 83-year-old lady on my street because of the area where
20 we live in. I guess it's known as a drug neighborhood.
21 I've only been over there for two years.

22 But just because the neighborhood is a drug
23 infested neighborhood that don't give you right to just
24 go up to someone's home because you're hearing
25 accusation of drugs being sold. I didn't understand it

1 so I came to the Board for some closure on it.

2 CHAIRMAN WARFIELD: Thank you, ma'am.

3 MS. MASON: Thank you.

4 CHAIRMAN WARFIELD: Sergeant Miles.

5 SERGEANT MILES: Good afternoon, Board.

6 CHAIRMAN WARFIELD: Good afternoon.

7 SERGEANT MILES: Elaine Miles, for the
8 record. I was assigned this investigation and I
9 addressed areas of concern which were entry search, and
10 two demeanor charges. For the entry, my findings was
11 exonerated. And I interviewed several people including
12 a witness that did not want to be identified on record.

13 What I found during my investigation was that
14 the Officers stated they came to the home. They've
15 gotten several complaints in regards to narcotics being
16 sold. They actually observed two people go into the
17 back of the home. One of the Officers went to the back
18 and knocked on the door, stated this is DP.

19 The guy said, Mr. Gilbert, the witness, I
20 mean, the complainants fiancé, said what do you need?
21 He opened the door. The Officers at that point stepped
22 in. He had the narcotics in his hands. They
23 confiscated the narcotics and they arrested him.

24 I spoke to a witness like I said that didn't
25 want to be identified that actually told me that he did

1 not witness that particular incident but he addressed
2 the sell of the narcotics in the home, the fact that
3 they go to the back door and he's observed on many
4 occasions that narcotic transactions has happened at
5 the location.

6 Based on the statements that I received from
7 the complainant and from Mr. Gilbert, which is her
8 fiancé, the statements were there were major
9 inconsistencies in her statements. And I found that
10 the Officers based on the way they gained entry to the
11 home had probable cause to be in the house, that was my
12 findings for the entry.

13 I also addressed the search. She stated that
14 her home was searched without justification. Based on
15 my findings the Officers actually did not search the
16 home, but actually found the narcotics on his
17 possession. Once, again, Mr. Gilbert in his statement
18 admitted that he had macrotics in his possession.

19 Their statements, Mr. Gilbert and Ms. Mason's
20 statements, were inconsistent. I found no facts to
21 support that the incident the complainant allegedly
22 occurred, that the home was actually searched.

23 For the demeanor charge, the complainant,
24 Ms. Mason, stated that the Officer cursed at her
25 stating get your ass on the floor and where did the

1 white people go? I've not sustained that
2 investigation, I mean, that complaint because I did not
3 have any evidence. There was no video available to
4 determine whether or not there was any demeanor or
5 profanities use during this incident, so I've not
6 sustained that because there was no proof one way or
7 the other that I could prove that that actually
8 occurred.

9 And for the other charge it was in regards to
10 a phone call that she made to Northeastern District
11 talking to another Sergeant that she stated was rude to
12 her. I've also not sustained that because I could not
13 obtain any of the phone records and I did not have
14 enough proof to determine whether or not that incident
15 actually occurred.

16 CHAIRMAN WARFIELD: Board, are there any
17 questions for either the citizen, Ms. Mason, or
18 Sergeant Miles?

19 COMMISSIONER WHITE: I do have one. Sergeant
20 Miles, just for the record, the incident that you
21 described where Officers approached the gentleman and
22 attempted to purchase narcotics is the exact same day
23 an instance of which the complainant just articulated
24 where Officers allegedly barged in and placed her on
25 the floor and searched the home?

1 SERGEANT MILES: Yes, this was on April 9th,
2 2012, the exactly same incident and he was arrested.

3 COMMISSIONER WHITE: Okay.

4 COMMISSIONER TAYLOR: I would like to ask,
5 she said the Officers entered her home without
6 justification. Can you just give us explanation of
7 justification?

8 SERGEANT MILES: Well, I guess in terms of
9 you would either enter the home a couple different
10 ways. You would have a search warrant, you would get
11 permission from the actual homeowner or you would have
12 to have probable cause on extenuating circumstances to
13 enter a home.

14 According to the Officers they knocked on the
15 door. Ms. Mason's fiancé actually -- they knocked on
16 the door and said this is Dee. He said, what do you
17 need? I need two. He actually opened the door and he
18 had the narcotics in his hand. So at that point they
19 sent them to the location and apprehended him with the
20 narcotics which gave them probable cause. They
21 actually saw it in his hand.

22 COMMISSIONER TAYLOR: Thank you.

23 CHAIRMAN WARFIELD: Thank you, thank you,
24 both. We will rendered our decision. It will be a
25 written decision. We'll rendered it within 30 days

1 you'll have our decision, both parties. Thank you so
2 very much.

3 There are some unfinished agenda items in Old
4 Business that we want complete and move forward at this
5 particular time.

6 Probably about three weeks ago now we read
7 into the record a resolution for Matrix Human Services
8 for the outstanding work that they're doing on the
9 eastside of the City of Detroit.

10 I'm just going to ask if we could vote that
11 resolution in and approve it that we may add it to our
12 again permanent records here at the Commission and also
13 deliver this at their next Board Meeting or do you all
14 wish that we read that into the record again? What is
15 your pleasures? Read the resolution. All right.
16 Could you do that for me, please?

17 COMMISSIONER WHITE: Commissioners, before us
18 is a resolution honoring Matrix Human Services. Now
19 therefore be it resolved, that the Board of Police
20 Commissioners speaking on behalf of the citizens of the
21 City of Detroit and the Detroit Police Department
22 acknowledge and applaud Matrix Human Services for
23 performing this important and valuable work in our
24 community.

25 Through its efforts Matrix moves individuals

1 and families from dependence to independence and help
2 eradicate poverty in the mind, body, and spirit. We
3 thank and congratulate Matrix Human Services, signed
4 the Board of Police Commissioners, August 9, 2012.

5 Mr. Chair, I move for adoption.

6 COMMISSIONER TAYLOR: Support.

7 CHAIRMAN WARFIELD: It's been properly moved
8 for adoption and support. Any discussion regarding the
9 resolution? Hearing and seeing none, all those in
10 favor?

11 COMMISSIONERS: Aye.

12 CHAIRMAN WARFIELD: All those opposed?
13 Motion carried. There's also a policy directive that
14 we need to act on that's Policy Directive
15 Number 201.11, which is regarding the use of force and
16 detainee injury reporting/investigation. I don't see
17 Lieutenant Bliss here.

18 Chief, is there anyone that can just briefly
19 speak? It's come before us a couple times.

20 CHIEF GODBEE: Deputy Chief Tolbert may be
21 able to speak to it.

22 SECRETARY ANTHONY: Mr. Chair, just for the
23 record, Lieutenant Bliss did advise the Board that it
24 had been published for 30 days, there had been no
25 comment and that was placed on the record.

1 CHAIRMAN WARFIELD: Thank you. If you can
2 just update us real quick.

3 D.C. TOLBERT: Deputy Chief Tolbert. As
4 Attorney Anthony just accurately stated the policy was
5 published for 30 days and as Lieutenant Bliss said it
6 was brought to the Board and we're waiting on action
7 from the Board.

8 CHAIRMAN WARFIELD: Is there any questions or
9 comments about this directive?

10 COMMISSIONER WHITE: None.

11 COMMISSIONER TAYLOR: I don't have any.

12 CHAIRMAN WARFIELD: All those in favor of
13 adopting the new directive, aye.

14 COMMISSIONERS: Aye.

15 CHAIRMAN WARFIELD: All those opposed? The
16 directive's adopted. Thank you, sir. We have a couple
17 more grants that we want to work our way through.

18 Permission to accept a Detroit Sak II Action Research
19 Project through the Wayne County Prosecutor's Office.

20 I'm going to ask if Commissioner Taylor if
21 you can read that for us, please -- I'm sorry,
22 Commissioner White.

23 COMMISSIONER WHITE: Commissioners, before us
24 is request to accept a Detroit Sak II Action Research
25 Project Grant through the Wayne County Prosecutor's

1 Office. The Detroit Police Department has been
2 selected to receive \$111,917.00.00 in grant funding
3 with no required match from the Detroit Sak II Action
4 Research Project through the Wayne County Prosecutor's
5 Office.

6 It covers the cost of one full time or two
7 part time sworn officers or investigators in an amount
8 not to exceed \$101,970.00 and supplies for \$9,920.00
9 for a total of \$111,917.00. The time period for the
10 grant is October 1st, 2011 through March 31st 2013.
11 Commander Robert Ennis of the Criminal Investigations
12 Bureau will serve as the Project Director for the
13 grant. The appropriation number for the grant is
14 13565.

15 I move for adoption.

16 COMMISSIONER TAYLOR: Support.

17 CHAIRMAN WARFIELD: It's been properly moved
18 and supported that the Department will seek approval
19 for the Detroit City Council for the Sak II Action
20 Research Grant. Any questions? I have one. Anybody
21 knows what Sak stands for?

22 CHIEF GODBEE: That's in reference to the
23 sexual assaults that were backlogged and we're going
24 through the process now of those that have been tested
25 through a project called Project 400 so we can

1 understand the scope of what we'll have to work with,
2 so now the investigative followup to the testing of
3 those kits is taking place.

4 CHAIRMAN WARFIELD: Okay. Thank you, sir.
5 Any other questions? Hearing or seeing none. All
6 those if in favor of approving the request, aye?

7 COMMISSIONERS: Aye.

8 CHAIRMAN WARFIELD: All those opposed?
9 Motion carries. I'm going to ask Commissioner Taylor,
10 if you can read the last one for us, please.

11 COMMISSIONER TAYLOR: Permission to accepted
12 a donated digital copier/printer for Northwestern
13 District from Ann Arbor Office Repair. On July 30th,
14 2012, Ann Arbor Office Repair addressed a letter to the
15 Detroit Police Department indicating that they would
16 like to donate a Panasonic 8045 digital copier/printer,
17 serial number BGP50P00167 to the Northwestern District.

18 There's no cost to the Department for this
19 donation. I move that we support.

20 COMMISSIONER WHITE: Support.

21 CHAIRMAN WARFIELD: It's been properly moved
22 and supported that we accept the donation of the
23 copier. Any questions? All those in favor?

24 COMMISSIONERS: Aye.

25 CHAIRMAN WARFIELD: All those opposed.

1 Motion granted. We are moving right along to
2 announcements. Our next Board of Police Commissioners
3 Meeting will be held Thursday, September 6th, 2012 at
4 the 3:00 p.m., here at Police Headquarters. And
5 certainly we invite all of you to come out again.

6 At this portion of the meeting we move to the
7 oral communications part of our agenda. If you wish to
8 address the Board of Police Commissioners, come to the
9 podium right here in the middle of the room and we ask
10 that you make would your comments within two minutes
11 and Attorney Washington will keep the time on that for
12 us so that we may hear from as any as possible -- I'm
13 sorry, Attorney Anthony will keep the time. All right.
14 Good afternoon, ma'am.

15 MS. SMITH: Good afternoon to the
16 Commissioners. Bernice Smith, Political Activists.
17 Glad to see you, Chief. I'm glad that you're hear so
18 you can hear what I got to say today.

19 CHIEF GODBEE: Yes, ma'am.

20 MS. SMITH: I am very disappointed. You know
21 I'm a supporter of the Police Department. But
22 listening to different avenues about the Police
23 Department and what they're doing it's very aggravating
24 to me and I'm disappointed.

25 We heard the other day or the other night on

1 TV and there was an incident where a lady was
2 highjacked. Most of you probably know about it. She
3 was highjacked. The car was towed in. But what's so
4 embarrassing was the fact that the newspaper and the TV
5 had to tell the public that the crook's wallet was on
6 the front seat.

7 Now, I cannot imagine when you tow a car in
8 you're supposed to investigate the contents of the car
9 and so forth. Who was lax in doing that position?
10 Chief, I think you better check into that and see what
11 happened in that. Because that makes it so
12 embarrassing for the public to hear something like that
13 on the TV.

14 I know we have so much that we have to
15 correct as far as the Police Department is concerned
16 but that was very very very upsetting to me. And then
17 when she called in the report that she had the property
18 the Officer told her to bring it in tomorrow.

19 Now, that is unnecessary for that to happen.
20 Then when it was time to get her car she was not told
21 that the car was where it was impounded at and then she
22 was charged with a fee.

23 Now, I think once a car is being towed by the
24 Police Department you're supposed to do your
25 investigation and then later you're supposed to let the

1 person who owns the car know where the car is and not a
2 fee being charged to them. This was charged to this
3 lady. So I don't know --

4 SECRETARY ANTHONY: Two minutes.

5 MS. SMITH: Brown is not here. Anyway the
6 Police Department has to come up forward as far as
7 being more precise in their investigation. Now, I know
8 Officers are very upset about what happened today.

9 But, Chief, to make it sound a little better
10 and that you care and I know that you do care, the
11 little speech that you made just now I think it would
12 be nice if you sent a memo to each one of the Precincts
13 and let them know how you feel about it. Because there
14 are people that are in dire need of their finance.

15 And I know it's not your fault that this
16 happened today at the courts. But it would mean
17 something to the Officers to let them know, hey, I do
18 care what happened today and what's going to happen in
19 future in regards to their monies.

20 Because it's bad out here. And if this
21 election comes down the way it's supposed to the way
22 they want it to come we're going to be in bad shape.
23 Now, you can believe it or not.

24 So I give you that advice and I'm going to
25 sit down, and thank you so much for listening to me.

1 SECRETARY ANTHONY: Two minutes.

2 MS. SMITH: I got two more minutes?

3 SECRETARY ANTHONY: No.

4 MS. SMITH: We'll, I'd like to congratulate
5 my young lady here of a job and her Chiefs of Staff and
6 people that's on her staff what a wonderful job you're
7 doing and we want you to continue to give us this
8 honest report because I believe that you're going to do
9 a hell of a good job and we congratulate you. You take
10 care. Thank you.

11 CHAIRMAN WARFIELD: Thank you.

12 CHIEF GODBEE: Briefly, Ms. Smith, I don't
13 watch the news. That's how I keep my sanity. So I'm
14 not aware of that situation.

15 MS. SMITH: Really?

16 CHIEF GODBEE: No, not at all. However,
17 we'll have somebody check into it. But I don't watch
18 the news. Just to give a perspective, if what you
19 represent is true and accurate as reported, everything
20 that's reported is not accurate, number one, it's not
21 given in a proper context.

22 We respond to about 975,000 calls that come
23 through our 911 center every year which is about a half
24 a million calls for service that we're responding to.
25 So if that's the one they found wrong. I wish they

1 would report on the percentage of the ones we get
2 right. So from that standpoint I'm not really moved by
3 what the media says on those types of issues.

4 MS. SMITH: No, it was her being interviewed,
5 the lady.

6 CHIEF GODBEE: Again, I'm not moved because
7 the media has an agenda. When it comes to Detroit it's
8 not favorable to what we do. So that's just being
9 realistic in a lot of incidents. So with that slant I
10 can't do my job based on what Channel 2, 4 or 7 does.
11 What we will do is follow up relative to her specific
12 complaint and if there was something done improper then
13 we'll follow up on that.

14 But that still does not account for the
15 number of times that Officers do things 100 percent by
16 the numbers and nobody reports on that. So I just say
17 that because I don't want you to be disappointed.

18 MS. SMITH: Not in you I'm not.

19 CHIEF GODBEE: Or the document.

20 CHAIRMAN WARFIELD: Thank you, Chief.

21 MR. WILDE: Billy Wilde. I have a friend
22 with me who's a local businessman. He's a first-time
23 visitor and he has an issue. He has a parking lot out
24 here right across the Police Station. And apparently
25 when they block the street off they're impeding his

1 business and was wondering if there's anything that the
2 Department could do to help him?

3 MR. MOHAMMED: Hi, good afternoon, everybody.
4 My name is Sharif Mohammed. I'm Metropolitan Parking
5 across the street from Police Headquarters. And my
6 only driveway is on Macomb Street only. I don't have a
7 driveway on Beaubien Street.

8 Unfortunately they closed the street. And I
9 don't mind if during working hours if they close the
10 street, no problem. They close 4:00 in the afternoon.
11 So if they open the street especially on weekends I
12 don't mind because they're not working on weekends.
13 And I'm always cooperating with the Police Officers'
14 police cars. I never charge when the Police Officers
15 come for the medical section over here. Lieutenant
16 Mary knows about me.

17 I always give them free parking. So I just
18 need a little favor from you guys if you can because
19 they killed my business three years ago when they built
20 a new garage, the first one. They're still closing the
21 street by the driveway. Service drive to Macomb Street
22 they put barricades for three, four hours when big
23 events going on, nobody asking them. But now they're
24 closing the street.

25 So I just request if they can open the street

1 after the hours but especially on weekends, I'd really
2 appreciate that. It can save my family. Thank you
3 very much.

4 CHAIRMAN WARFIELD: Thank you, Mr. Mohammed.
5 Chief, is that our City Council?

6 CHIEF GODBEE: Mr. Mohammed, street closings
7 are not our call and so relative to the construction
8 permit and how that's constructed that's a City
9 Engineering type function. So we can help facilitate a
10 conversation with the people that made the decision,
11 but from that standpoint we don't influence the street
12 closures.

13 MR. MOHAMMED: I went to the managing, who's
14 the manager. He said, I already told the police and,
15 you know, so I took the permission from them. He said,
16 I have to go to the City, I can go to the City. But,
17 you know, he said I already took permission from
18 Police.

19 CHIEF GODBEE: It's not a police call. We
20 don't have a dog in that fight. What we do is enforce
21 what is there from a traffic safety standpoint. But as
22 far as dictating what streets are closed it's an
23 inconvenience for us also because that thoroughfare is
24 a main thoroughfare, for their staff and a lot of our
25 staff. So it's an inconvenience for all of us.

1 Not financially like you. But what we can
2 help do is some of our staff will see if we can get you
3 in touch with the appropriate people from the City and
4 get you the answers you need relative to how long that
5 closure's going to be effectuated.

6 MR. MOHAMMED: Okay. Let me ask them.

7 CHIEF GODBEE: Deputy Chief Tolbert, can you
8 make sure Mr. Mohammed gets with somebody on our staff
9 so we can facilitate a conversation.

10 MR. MOHAMMED: Thank you very much.

11 CHAIRMAN WARFIELD: Mr. Mohammed, in addition
12 to that we'll also send a letter of support to the
13 specific department that handles that on your behalf.

14 MR. MOHAMMED: Thank you very much.

15 CHAIRMAN WARFIELD: Thank you, sir.

16 CHIEF GODBEE: Also for the record,
17 Ms. Smith, I was saying tongue in cheek I don't watch
18 the news. I've got to watch it.

19 MS. SMITH: They put you on all the time.

20 CHIEF GODBEE: I know. My dad won't let me
21 forget.

22 MR. MOORE: To the Commissioners, our Chief,
23 Detroit's Finest, and the families that's here, my name
24 is Edward Moore. I am the liaison of the Honorable
25 Kwame Kenyatta of the Detroit City Councilman bring

1 warm greeting from his office. From his office, first
2 of all I want to thank the ICO staff of doing a
3 wonderful job, continue doing a good job. Councilman
4 Kenyatta is pleased to hear that kind of information.

5 Also we want to congratulate our Deputy Chief
6 Butler. So from the Office of Councilman Kenyatta,
7 we're going to thank you. And this is very important.
8 I want to thank the Chief for coming through for 48217
9 Southwest Detroit, that a was 43-year-old man who we
10 love, love in Southwest Detroit. He was a block club
11 president.

12 And the Chief taking time to come out there
13 and made a presentation for this young man which is up
14 in age but we'll call him a young man. So we want to
15 thank you, Chief, and that the neighborhoods is still
16 buzzing about you coming out. And also I live in 48217
17 so that means that actually all of 48217 say bless you
18 and thank you for coming out.

19 CHIEF GODBEE: Thank you, Mr. Moore.

20 CHAIRMAN WARFIELD: Thank you, Mr. Moore.

21 Are there anymore communications. Any more comments?
22 Hearing or seeing none -- Ms. Pannell, hearing or
23 seeing none we will close that section of our meeting.
24 Thank you. I want you to know that on September the
25 13th we will have a very important meeting and we will

1 announce the venue shortly, but we are bringing
2 together a number of law enforcement agencies that
3 covers various sections of the City of Detroit.

4 And our purpose for bringing these law
5 enforcement agencies together is to better understand,
6 the citizens to better understand our agency working
7 agreements how that works. We also want you to get a
8 chance to see firsthand the number of different
9 agencies that responds to some of the crime and safety
10 issues throughout the entire City of Detroit.

11 In addition to that we want you to know that
12 if there may be some unpleasant experience with a law
13 enforcement agency that you will know exactly where to
14 go. You know where to go if it's DPD. We have this
15 entity. And so if it's State Police, if it's Wayne
16 State University Police, if it's Wayne County
17 Sheriff's, we'll have representatives there.

18 Again, it's going to be on September 13th, it
19 will be at 6:30 p.m., that is the normal date and time
20 of our monthly community meeting and so please invite
21 everyone to come. It's interesting because our meeting
22 has already been advertised out in San Diego. So it's
23 going to be a very important meeting.

24 We look forward to seeing you all there, and
25 please govern yourselves accordingly. Ms. Pannell?

1 MS. PANNELL: Sharon Pannell. I just wanted
2 to congratulate Commissioner White. Very good article
3 in Sunday's paper it was.

4 COMMISSIONER WHITE: Thank you.

5 MS. PANNELL: Yeah, he received the Dave Bing
6 Award.

7 CHAIRMAN WARFIELD: Amen. Congratulations,
8 sir. Having said that we will entertain a motion to
9 adjourn the meeting.

10 COMMISSIONER WHITE: So move.
